Class Type	Monthly Tuition	Annual Tuition	Description
<b>Enrichment</b>	\$36	\$360	These classes are designed to enhance your home instruction.
<b>Clubs</b>	\$20	\$200	These clubs are designed to be a fun, social, and educational opportunity, centered around a theme.
<b>Foundations</b>	\$48	\$480	These classes are very unique. Trained professionals will spend more time, with a smaller group of students, to focus on the foundations of each subject area.
<b>Small Group Music</b>	\$43	\$430	These classes provide instrument lessons to a small group of students to maximize the educational coach's time spent with students.
<b>Robotics (2 hours, 1 semester class)</b>	\$80	\$400/semester	These classes are registered by semester, not year, and last two hours per day.
<b>Learning Lab</b>	\$20	\$200	These labs provide students with time to work through challenging subject matter with expert educational coaches.
