Class Type	Monthly Tuition	Annual Tuition	Description
Core Classes	\$43	\$430	These classes provide a complete curriculum. Parents WILL NOT need another curriculum for their child. Educational Coaches will provide lessons for students to complete throughout the week. These courses qualify for a high school credit.
Enrichment	\$36	\$360	These classes are designed to enhance your home instruction.
Clubs	\$20	\$200	These clubs are designed to be a fun, social, and educational opportunity, centered around a theme.
ACT Prep - 1.5 hours	\$48/5 months	\$240/semester	These classes are devoted to preparing students for success on the ACT exam. These are one semester classes.
Small Group Music	\$43	\$430	These classes provide instrument lessons to a small group of students to maximize the educational coach's time spent with students.
Electives	\$36	\$360	These classes provide a complete curriculum and qualify for an elective credit.
Learning Lab	\$20	\$200	These labs provide students with time to work through challenging subject matter with expert educational coaches.
